

Masterclass Intelligence Tools and Techniques, Truth and Integrity in EU Funds Management, Control and Audit. For professionals in ESI, IPA, AMIF, ISF and BMVI Funds

Day 1 — The Intelligence Lab Opens (Part 1)

Central theme: *Investigation — from traditional control thinking to intelligence-driven management, verification, audit and evidence.*

09:00–09:30 — Opening of the Christmas Intelligence Lab

- Mission, teams, challenge
- Why EU Funds control needs sharper intelligence, stronger evidence and smarter judgement

09:30–10:30 — The Changing Risk Landscape

- ESI, IPA, AMIF, ISF, BMVI
- Key message: *Trust is good. Evidence is better. Intelligence makes the difference.*

10:30–10:45 — Coffee Break

10:45–12:00 — Core Concepts of Hybrid Co-Intelligence

- Hybrid Co-Intelligence
- Human Intelligence
- Artificial Intelligence
- Open Source Intelligence

12:00–13:00 — Lunch

13:00–15:00 — Real-Life Intelligence Cases

- Practical scenarios
- When and how to use HI, AI and OSINT
- Hands-on work (bring your laptop)

15:00–15:15 — Coffee Break

15:15–17:00 — Applied Intelligence Workshop

- Mini-investigations
- Evidence-building
- Team preparation for Day 2

Day 2 — The Intelligence Lab Opens Again (Part 2)

09:00–10:30 — Hybrid Co-Intelligence for EU Funds

- Deep dive into HI, AI and OSINT
- Real-life cases

10:30–10:45 — Coffee Break

10:45–12:00 — Case Labs: Practical Intelligence Work

- Red flags
- Evidence-based reasoning
- Team analysis

12:00–13:00 — Lunch

13:00–15:00 — Case Mission 1 (Start)

A Life-Like Integrity and Intimidation Case Teams investigate, escalate, design alternative verification/audit approaches, and prepare findings.

15:00–15:15 — Coffee Break

15:15–16:30 — Case Mission 1 (Continuation)

- Deepening the investigation
- Preparing the intelligence approach for Day 3

16:30–18:30 — Vienna Guided Tour & Food Tasting Experience (End of Day 2)

A celebratory cultural experience to close Day 2:

- Guided walk through Vienna's historic centre
- Observation challenge inspired by **Human Intelligence**
- Traditional Viennese food tasting: Würstel, Kaiserschmarrn, pastries, local specialties
- Informal networking and team bonding
- Closing toast to the Christmas Intelligence Lab

Day 3 Morning — The Vienna Mission Cases (Continuation)

09:00–10:30 — Case Mission 1 (Continuation)

- Intelligence tools & techniques
- Preparing findings

10:30–10:45 — Coffee Break

10:45–12:00 — Case Mission 2: The Christmas Kick-Off Mystery

EU Funds, Rural Sports and the Old Boys' Network Teams observe, analyse, investigate, use Hybrid Co-Intelligence, AI and OSINT.

12:00–13:00 — Lunch

Day 3 Afternoon — Final Mission Presentations & Awards

13:00–15:00 — Team Presentation Challenge

Each team presents:

- Mission outcomes
- Evidence trail
- Intelligence methods used
- Lessons learned

15:00–15:15 — Coffee Break

15:15–16:30 — Awards Ceremony

Winning team receives the title: **The Vienna Integrity Guardians — Masters of Intelligence, Evidence & EU Funds Protection**

16:30–17:00 — Closing Session

- Reflections
- Key takeaways
- Final message: *Use intelligence wisely, challenge every story, innovate, follow the evidence.*
